## Sight to the blind

Belen is a beautiful 6 year old girl. Since she

has arrived we have had all the tests done but, yes, she is blind and there is nothing, earthly, that can be done to give her sight. We can, however, give her life skills. We can teach her how to read and how to interact with a seeing world, but most importantly, we can show her the love of Jesus. There are many sighted people in this world who are blind. My prayer is that some day Belen will help to bring sight to them. 🖐️

*"And Jesus said, 'for judgment I am come into this world, so that the blind will see: and that they which see might be made blind.'" John 9:39*

## Praise and Prayer

- ☺ For child sponsorship information go to: [http://www.lacasadefe.org/child\\_sponsorship.htm](http://www.lacasadefe.org/child_sponsorship.htm)
- ☺ Please pray for Karina's parents and for the Tia's who cared for her. Karina went to be with the Lord and we all miss her but know she is in a better place.
- ☺ We had an especially expensive month on the medical side: 3 children hospitalized, 3 surgeries and 2 trips to Quito for tests. The bill at Hospital VosAndes, alone, is back over \$6000. Please pray about how you may help with this need.
- ☺ We are looking for teachers for the next school year. Spanish is not necessary, but useful. **Time is getting short for this need, school will start in September. 2 teachers are needed.**
- ☺ Please pray, as adoptions start to open up again, that no more issues arise.
- ☺ Please pray about becoming a monthly supporter of "Casa de Fe".

## The beach

The kids had a great time at the beach but only pictures can tell the true story. Thank you to those who made this possible. 🖐️

Please send donations to: CornerStone International, P.O. Box 192, Wilmore, KY 40390, with "Casa de Fe", "Make a difference", or "The Promised Land" on the memo line. ## School!!!

In September, we will be undertaking a major change for Casa de Fe. We will be what you would call "home schooling" our children. The Ecuadorian government calls it "experimental schooling". I have had children in public and Christian schools for 3 years now and I am not satisfied with the results. This is a huge undertaking. **We are still in need of 2 teachers.** We will teach in English but Spanish would be helpful. However, Spanish can be learned. If you are a part of a home school group and your group would like to help with needs, please contact me directly. Please pray for the planning and implementation.

*"Fix these words of mine in your hearts and minds... Teach them to your children, talk about them when you sit at home and when you walk along the road, when you lie down and when you get up." Deut. 11: 18-19*

## Work Teams

Work teams are very important to Casa de Fe. Not only do they work,

play with the kids and show them the love of Jesus, but they also carry the work home with them, to their churches, their friends, their families and their communities. It is not easy to convey our needs in writing or even for me to come to the US and talk about God's work here at Casa de Fe. When teams come, they touch the work and the work touches them. Come and be touched.

## Needs !

Our 2 biggest needs are monthly support for the everyday needs of the children and funds for construction. We have had many great donations of medicines and clothes during this time of work teams and there is much more on the way. **Thank you** for helping meet these needs!
